

## Class of 2022 USC Doctor of Pharmacy (PharmD) Curriculum

P1 Year								TOTAL UNITS
Fall	PHRD 501 Pharmaceutics I 3 units [LG]	PHRD 503 Biological Systems I 4 units [LG]	PHRD 515 Metabolism and Cell Biology 2 units [LG]	PHRD 517 Pharmacogenetics 2 units [LG]	PHRD 521 Medicinal Chemistry 2 units [LG]	PHRD 511 Pharmacy Practice and Professionalism 1 5 units [LG]		18 units
Spring	PHRD 502 Pharmaceutics II 2 units [LG]	PHRD 504 Biological Systems II 4 units [LG]	PHRD 552 Pharmaceutics III 3 units [LG]	PHRD 516 Non-Prescription Therapies 3 units [LG]	PHRD 514 Calculations and Compounding 2 units [LG]	PHRD 512 Pharmacy Practice and Professionalism 2 3 units [LG]	PHRD 520 Pharmacists' Patient Care Process 1 unit [CR/NC]	18 units
P2 Year								
Fall	PHRD 572 Therapeutics: General Medicine and Inflammatory Disorders 5 units [LG]	PHRD 559 Therapeutics: Pharmacokinetics 3 units [LG]	PHRD 567 Pharmacy Law 2 units [LG]	PHRD 508 Pharmacy Literature Analysis and Drug Information 3 units [LG]	PHRD 563 Case Conference 1 2 units [CR/NC]	PHRD 624 – Community Pharmacy Practice (4 units)* [LG] PHRD 625 – Hospital Pharmacy Practice (3 units)* [LG], or PHRD 626 – Elective Pharmacy Practice (2 units)* [LG]	Elective (optional)** 1-3 units	15 - 19 units
Spring	PHRD 570 Therapeutics: Central Nervous System 5 units [LG]	PHRD 603 Therapeutics: Endocrine System 5 units [LG]		PHRD 634 Scholarly Project 1 1 unit [CR/NC]	PHRD 564 Case Conference 2 2 units [CR/NC]	PHRD 624 – Community Pharmacy Practice (4 units)* [LG] PHRD 625 – Hospital Pharmacy Practice (3 units)* [LG], or PHRD 626 – Elective Pharmacy Practice (2 units)* [LG]	Elective (optional)** 1-3 units	13 - 17 units
P3 Year								
Fall	PHRD 619 Therapeutics: Cardiovascular System 5 units [LG]	PHRD 611 Therapeutics: Infectious Diseases 5 units [LG]		PHRD 635 Scholarly Project 2 1 unit [CR/NC]	PHRD 622 Case Conference 3 (currently Case Conference 4) 2 units [CR/NC]	PHRD 624 – Community Pharmacy Practice (4 units)* [LG]* PHRD 625 – Hospital Pharmacy Practice (3 units)* [LG], or PHRD 626 – Elective Pharmacy Practice (2 units)* [LG]	Elective (optional)** 1-3 units	13 - 17 units
Spring***	PHRD 608 Therapeutics: Oncology 2 units [LG]  PHRD 610 Therapeutics: Special Populations 3 units [LG]	PHRD 650 APPE Gateway 2 units [LG]	PHRD 633 Pharmacy Management and Economics 2 units [LG]	PHRD 636 Scholarly Project 3 1 unit [CR/NC]	PHRD 623 Case Conference 4 (currently Case Conference 5) 1 unit [CR/NC]	PHRD 624 – Community Pharmacy Practice (4 units)* [LG] PHRD 625 – Hospital Pharmacy Practice (3 units)* [LG], or PHRD 626 – Elective Pharmacy Practice (2 units)* [LG]	Elective (optional)** 1-3 units  APPE Course (optional)**** 6 units	11 - 15 units
P4 Year								
Fall	<b>Advanced Pharmacy Practice Experience (APPE)</b> Students must enroll in a minimum of six 6-unit six-week APPEs for a total of 36 units. Some students will take their APPEs entirely in their P4 year. Some will take one 6-unit APPE starting in the spring of their P3 year (late March/early April). Students will return to campus the last six weeks of their P4 year.		<b>Required APPE Courses (Totaling 24 units from the list below):</b> PHRD 701 Acute Care Clinical APPE (6 units) [CR/NC] PHRD 704 Primary Care APPE (6 units) [CR/NC] PHRD 705 Community Pharmacy APPE (6 units) [CR/NC] PHRD 718 Hospital Pharmacy Practice APPE (6 units) [CR/NC] PHRD 796ab Doctor of Pharmacy Capstone (a in the fall, b in the spring) (0 units) [CR/NC]			<b>Elective APPE Course (Totaling 12 units from the list below):</b> PHRD 714 Nuclear Pharmacy APPE (6 units) [CR/NC] PHRD 725 International Pharmacy Practice Experience (3 or 6 units) [CR/NC] PHRD 731 Advanced Geriatrics APPE (6 units) [CR/NC] PHRD 738 Pharmaceutical Industry APPE (6 units) [CR/NC] PHRD 750 Advanced Pharmacy Practice Elective (APPE) (6 units) [CR/NC] PHRD 751 Non-traditional Advanced Pharmacy Elective (APPE) (6 units) [CR/NC]		12 - 18 units
Spring								12 - 18 units

Key
Basic Sciences
Clinical
Clinical Therapeutics
Scholarship
Social & Administrative
Elective

**Minimum number of units to graduate: 136 units**

\*Students must enroll once in PHRD 624, PHRD 625, and PHRD 626 in the P2 and P3 years.

\*\* Students must complete one 3-unit elective in order to graduate. Students who register for an approved PHRD elective will not be charged any extra tuition.

\*\*\*Courses are 10 weeks each in Spring P3 unless required to do remediation after taking the PCOA exam in the early spring of the P3 year.

\*\*\*\*Students may take on one 6-unit APPE starting in spring (late March or early April) of their P3 year.
