

Fall 2022 Trojan Admission Pre-Pharmacy Program (TAP)

Application Packet Requirements:

- Completed Application Form with Supplemental Questions (below)
- Updated Resume
- One (1) Letter of Recommendation from a professor, teacher, or counselor that you interacted with within the last year
 - The letter can address academic abilities, leadership roles, community service and the potential for success in the TAP program. or something along those lines.
 - Professors are requested to email their letter directly to Dr. Randa Issa (rissa@usc.edu)

Please “save as” your PDF application and include your name in the document title when sending. Email the entire application packet (minus the letter) to Dr. Randa Issa at rissa@usc.edu.

Attach additional pages if necessary.

Describe how you became interested and reached your decision to pursue a career in pharmacy.

What have you learned about the pharmacy profession and/or the practice of pharmacy? Why does this appeal to you?

What health-related experiences have you had, if any? These may be your personal experiences or those of a friend or relative.
